You are cordially invited to attend the Southern Pea Field Day at the Vegetable Research Station. Come find out the latest research information in the Southern Pea Breeding Program. The Field Day will be held on Wed., Aug. 12 with registration beginning at 8:30 a.m. The formal program will begin at 9:00 a.m. with introduction and opening remarks from Dennis R. Motes, Resident Director and Dr. Wayne A. Mackay, Horticulture Professor and Department Head. Short presentations from Dr.
Ainong Shi, Assistant Professor, Dept. of Horticulture, as well as the following from Crop, Soil, and Environmental Sciences: Dr. Nilda Burgos, Professor; Dr. Leopoldo E. Estorninos, Jr., Program Associate II; and Chris Rouse, Graduate Assistant. Following the presentations from research leaders, plot tours will be available to highlight and showcase new lines and genetics that are available for the industry. Lunch will be provided. We look forward to seeing you at the Southern Pea Field Day on August 12! There is no charge, but pre-registration is preferred by Aug. 5 to help plan for lunch.

The Division of Agriculture offers its programs to all eligible persons regardless of race, color, national origin, religion, gender, age, disability, marital or veteran status, or any other legally protected status, and is an Affirmative Action/Equal Opportunity Employer.
