

What is myISIS?

myISIS is the Web-based student information system designed to provide efficient, secure, and user friendly access to manage virtually every aspect of a student's college career.

Faculty will log into *myISIS* to print class rosters, post grades, print grade rosters, and e-mail messages to students. You also have the option to search the Schedule of Classes or browse the catalog for specific classes.

Log into myISIS

Everyone logs into *myISIS* using their UARK e-mail ID and password. After successfully logging in, click [Faculty Center](#) to access your academic schedule, rosters, and grade rosters. In addition, you will be able to access **Advisement** information and search the **Schedule of Classes**.

Faculty Center

From the **Faculty Center** you will see a list of classes for the current or future term that you have been assigned to teach. Information for each class is organized in a grid with links at the end of each row for—

Class Roster

Click the icon and the roster will be displayed. The Class Roster includes e-mail addresses and photos of the enrolled students. A **Photo Roster** is also available.

Grade Roster

Click the icon to post **Early Progress** and **Final** grades to your class.

Advisement

If you are an advisor you will use *myISIS* to keep track of all advisement activities such as searching for student information, viewing placement test scores, and granting permission to register by removing academic holds (service indicators).
