This form is a guide and should not substitute for the University Catalog. Please see your advisor regularly.

This is not a degree plan. It is a guide to earn an associate degree for transfer in a specific major. It is not a contract. Additional preparatory courses may be necessary in reading, English, and math depending on your placement test scores. You must see an advisor your first semester to determine if preparatory courses are required. It is recommended that you meet with an advisor to see if any program revisions have occurred.
