

Presented by the Graduate School

Graduate Student Professional Learning Series

A meal will be provided following each session.

**Sessions will be held in the Reynolds Center Auditorium
(located behind the Walton College of Business Building)**

**For Spring 2008 we will present three sessions on
Technology for Graduate Students**

Session 1 Wednesday, February 6, 2008, 3:30 – 5:00 pm

Managing Your Digital World

UA Information Technology Services staff will give tools and tips to help with email and spam and discuss available services such as SharePoint, Digital Dropbox, and statistical software to help with research.

Session 2 Wednesday, March 5, 2008, 3:30 – 5:00 pm

Research Technology You Need

Learn about Grants.gov; SMARTS; Human Subjects and Research Ethics On-line Training Modules

Presenter: Rosemary Ruff, Director, Office of Research Support and Sponsored Programs

Session 3 Wednesday, April 9, 2008, 3:30 – 5:00 pm

Plagiarism Detection Software

Learn about on-line products that detect possible plagiarism in your writing.

Presenter: Dr. Dennis Brewer, Associate Vice Provost for Research

Students who attend all three sessions will receive a certificate of participation.

All University of Arkansas graduate students are invited to attend.

Please register your attendance with Diane Cook, 575-2350 or DLCOOK@uark.edu
