## at TFSC

Friday, April 16 - 12:00-1:30 pm

It's the final new faculty get-together of the year!

We'll talk informally about "Expectations and Realities of the Academy."

We also want to hear your comments about TFSC's new faculty activities this year and your suggestions for next year.

### Menu choices:

Goldie's hamburgers or veggie burgers—hot off the grill!

The Teaching and Faculty Support Center is located in a small white house at 241 Buchanan Street.

It's east of Kimpel Hall

and just south of the Terrace Manor Apartments at the corner of Dickson and Buchanan.

Yellow parking lots are located across Buchanan.
