APPLICATION FOR ADMISSION

Admission to the Graduate School requires a baccalaureate degree from a regionally accredited institution and a **3.0 cumulative grade average on the last 60.0 credit hours of attempted course work prior to the receipt of the baccalaureate degree**. An applicant whose grade point average on the last 60.0 hours of attempted course work is less than a 3.0 but at least 2.5 and meets all other minimum requirements may be considered for admission by special consideration, which may include satisfactory scores on the Graduate Record Examinations (GRE) General Test or an equivalent examination. Applicants with a conferred post-baccalaureate graduate degree (excluding professional degrees) from a regionally accredited institution are automatically admissible.

INTERNATIONAL APPLICANTS: International student applicants must make a score of 550 (paper test) or 79 (internet based test) or better on the Test of English as a Foreign Language (TOEFL) before they can be admitted. International students on student visas are eligible for admission only to the Fayetteville site. International students may not be granted access to military installations.
