TEXTBOOK RENTAL AGREEMENT

All rental textbooks used in Operations Management courses are the sole intellectual property of the author(s) and are copyrighted by the author(s) or publishers. Textbooks may not be reproduced by students. Fees charged for textbooks are for rental, not purchase. Students should not write in or mark the textbooks.

All rental textbooks must be returned to the site coordinator at the time of the final exam. Any data disks that are included with the textbook must be returned with the text at that time. If either the textbook or accompanying data disks are not returned, the student must pay the full cost of the textbook. Students who do not complete the course within their term of enrollment must pay an additional textbook rental fee for each term that they keep the textbook.

I have read the above information and agree to the conditions placed on usage of rental textbooks.
