Two Part Event featuring
Dr. Pat Quillen
of MathWorks, Inc.

Thursday, November 4th

What every Math Student
(grad & undergrad) should know:
Advice from a U of A alumnus

SCEN 350 2:15-3:15
Refreshments served between events.

SCEN 407 3:30-4:20

Pat Quillen received a B.S. degree in Mathematics from the University of Arkansas (1998) and M.S. and Ph.D. degrees in Mathematics from the University of Kentucky (2002, 2005). MathWorks, Inc. is the maker of MATLAB and Simulink. Dr. Quillen is part of the MATLAB Math team, which is a high-level language and interactive environment enabling the performance of computationally intensive tasks. Dr. Quillen is responsible for MATLAB’s sparse matrix computations and maintaining the production of this high quality software. He is also a part-time faculty member of the Boston College Mathematics Dept., teaching Numerical Analysis.
