

IMPORTANT INFORMATION FOR APPLICANTS FROM INDIA

Thank you for your interest in the University of Arkansas. Because of the large number of applicants from India we feel that a letter explaining some requirements is necessary. We have listed specific guidelines below showing the information required to complete your academic records.

I. OFFICIAL MARKSHEETS AND DEGREE CONFIRMATION FROM ALL UNIVERSITIES ATTENDED. We need all individual attested marksheets from each university you have attended. The marksheets should be from the degree-granting university rather than the affiliated college. The marksheets should be attested by an academic official (Registrar or Controller of Examinations) of the university issuing the marksheets. Marksheetworks verified by a notary are not considered official.

II. FOR GRADUATE APPLICANTS: ALL BUT THE FINAL YEAR OF WORK IS NEEDED ON OFFICIAL MARKSHEETS FOR A TENTATIVE ADMISSION DECISION. If you are enrolled in a 10-semester program, we must have a minimum of 8 semesters on official marksheets before an evaluation can be conducted. If you are enrolled in an 8-semester bachelor degree program, we must have at least 6 semesters for an evaluation. No exception can be made. We understand the possible frustration and will make every effort to process your application as quickly as possible upon receipt of the needed marksheet(s).

III. FOR GRADUATE APPLICANTS WITH A TWO- OR THREE-YEAR BACHELOR DEGREE: To qualify for graduate admission, applicants from India must present a post-graduate diploma in addition to the BA, BSc, or BCom degree. The post-graduate diploma may be a Master of Arts, Science, Commerce, or Education. Also, the Bachelor of Technology or Engineering degree qualifies applicants for consideration for Graduate School Admission.

IV. FOR UNDERGRADUATE TRANSFER STUDENTS: Please provide a copy of course descriptions. Transfer credit may be awarded based upon the course descriptions, which may shorten the length of your degree program.

V. An application fee of \$50.00 U.S. currency is required for the processing of applications. There is no fee waiver.
