

Informal midterm course evaluation of PHYS 5103 Advanced Mechanics

U of A Fulbright College does anonymous ***end of term*** student course evaluation by e-mail

The following is an evaluation that allows for possibility of mid-course changes.

To make it anonymous fill it out later and drop it in Prof. Harter's mailbox in Physics Office.

To make it ***really*** anonymous ***print*** it out and drop in Prof. Harter's mailbox in Physics Office.

1. What do you like about the course so far?

2. What don't you like about the course or would like to be changed?
