

## Free Access Scholarship Application

***Mystery of the Mayan Medallion Exhibition (January 7 - March 8, 2008)***

***Good Vibration Exhibition (April 14 – July 12, 2008)***

To encourage and assist schools that do not have the opportunity to attend partner museums and science centers, the Arkansas Discovery Network will provide scholarships to cover 50% of transportation costs. These "Free Access Scholarships" will be awarded to a limited number of schools in each region to visit the nearest partner museum during a ADN exhibit or event. Preference will be given to those schools that do not usually visit the museums/science centers due to financial constraints. Funds are limited and are awarded based on application submission and need.

To apply for funding for the Northwest Arkansas Partnership's ADN Free Access Scholarship 2007-2008 school year, provide the information below and email to Lynne Hehr.

Exhibit: \_\_\_\_\_

School District: \_\_\_\_\_

Teacher Name: \_\_\_\_\_
