Product Option and Participant List

Options have been established this renewal period for specific product sets to accommodate participating departments with regard to cost savings on product use. Departments participating in this year’s renewal will be covered by the option chosen by the department for all departmentally owned computers:

- **Option 1 Product-Set:** Campus Desktop Enterprise Cal, Visual Studio, and Visio Pro  
  *Total Estimated Cost:* $67.57 per FTE

- **Option 2 Product-Set:** Campus Desktop Enterprise Cal and Visual Studio  
  *Total Estimated Cost:* $62.59 per FTE

**NOTE:** Departments will only have access to and be charged for the product set chosen for their department.
